ERRATUM TO DIRECT BROADCAST SATELLITE SERVICE LICENSES AUCTION

2 QUALIFIED BIDDERS

CORRECTION TO DESCRIPTIONS OF ATTACHMENTS

Report No. AUC-04-52-I (Auction No. 52)

This Public Notice corrects the description of the attachments to the *Auction No. 52 Qualified Bidders Public Notice*.¹ The description of attachments inadvertently omitted the correct description for Attachment C. Consequently, the descriptions of Attachments D and E were mislabeled. The correct descriptions are listed as follows:

Attachment A lists each of the 2 qualified bidders, their upfront payments, and maximum eligibility in bidding units.

Attachment B lists the licenses selected on each qualified bidder's FCC Form 175.

Attachment C lists the applicants that submitted FCC Form 175 applications, but did not qualify to bid in this auction.

Attachment D describes how to participate in the mock auction.

Attachment E provides information on "How to Monitor the FCC Auctions On-line," and round results file formats for use during the auction.

A complete public notice that includes all the above corrections is available at <http://wireless.fcc.gov/auctions>. For further information regarding this Public Notice, contact Lisa Stover at (717) 338-2804, or Brian Carter at (202) 418-0660.
